POST, AND SHELF AWARENESS
In *Hausfrau*, Anna Karenina goes *Fifty Shades* with a side of *Madame Bovary*. Time A debut novel about Anna, a bored housewife who, like her Tolstoyan namesake, throws herself into a psychosexual journey of self-discovery and tragedy. O: The Oprah Magazine *Sexy* and insightful, this gorgeously written novel opens a window into one woman's desperate soul. People Anna was a good wife, mostly. For readers of *The Girl on the Train* and *The Woman Upstairs* comes a striking debut novel of marriage, fidelity, sex, and morality, featuring a fascinating heroine who struggles to live a life with meaning. Anna Benz, an American in her late thirties, lives with her Swiss husband, Bruno, a banker, and their three young children in a postcard-perfect suburb of Zurich. Though she leads a comfortable, well-appointed life, Anna is falling apart inside. Adrift and increasingly unable to connect with the emotionally unavailable Bruno or even with her own thoughts and feelings, Anna tries to rouse herself with new experiences: German language classes, Jungian analysis, and a series of sexual affairs she enters with an ease that surprises even her. But Anna can't easily extract herself from these affairs. When she wants to end them, she finds it difficult. Tensions escalate, and her lies start to spin out of control. Having crossed a moral threshold, Anna will discover where a woman goes when there is no going back. Intimate, intense, and written with the precision of a Swiss Army knife, Jill Alexander Essbaum's debut novel is an unforgettable story of marriage, fidelity, sex, morality, and most especially self. Navigating the lines between lust and love, guilt and shame, excuses and reasons,

Anna Benz is an electrifying heroine whose passions and choices readers will debate with recognition and fury. Her story reveals, with honesty and great beauty, how we create ourselves and how we lose ourselves and the sometimes disastrous choices we make to find ourselves. Praise for *Hausfrau* Elegant ... There is much to admire in Essbaums intricately constructed, meticulously composed novel, including its virtuosic intercutting of past and present. *Chicago Tribune* For a first novelist, Essbaum is extraordinary because she is a poet. Her language is meticulous and resonant and daring. *NPRs Weekend Edition* Were in literary territory as familiar as Annas name, but Essbaum makes it fresh with sharp prose and psychological insight. *San Francisco Chronicle* This marvelously quiet book is psychologically complex and deeply intimate... . One of the smartest novels in recent memory. *The Dallas Morning News* Essbaums poignant, shocking debut novel rivets. *Us Weekly* A powerful, lyrical novel ... *Hausfrau* boasts taut pacing and melodrama, but also a fully realized heroine as love-hateable as Emma Bovary. *The Huffington Post* Imagine Tom Perrottas *American nowheresvilles* swapped out for a tidy Zurich suburb, sprinkled liberally with sharp riffs on Swiss-German grammar and European hypocrisy. *New York* From the Hardcover edition.
