

# THE MAMMOTH HUNTERS

Leaving the valley of horses with Jondalar, the handsome man she has nursed back to health and come to love, Ayla embarks on a journey that will lead her to the Mamutoi; the Mammoth Hunters. But as she settles into this new life among a people at first strange and disturbingly different, Ayla finds herself irresistibly drawn to Ranec, their master-carver. Ultimately, she is compelled to make a fateful choice between the two men. Jean Auel's imaginative reconstruction of pre-historic life, rich in detail of language, culture, myth and ritual, has become a set text in schools and colleges around the world.

Now The Clan of the Cave Bear, The Valley of Horses, and The Mammoth Hunters, which have sold more than four million copies in hardcover alone, are riding with Jondalar, the man she loves, and followed by the mares colt, Ayla ventures into the land of the Mamutoi--the Mammoth Hunters.
