

# Cuneorum Clavis Or The Primitive Alphabet and Language of the Ancient Ones of the Earth by Means of Which Can Be Read the Cuneiform Inscriptions on ... and Other Remains Discovered in Assyria

This scarce antiquarian book is a facsimile reprint of the original. Due to its age, it may contain imperfections such as marks, notations, marginalia and flawed pages. Because we believe this work is culturally important, we have made it available as part of our commitment for protecting, preserving, and promoting the worlds literature in affordable, high quality, modern editions that are true to the original work.
