

## The Bakers Wife (Thorndike Christian Fiction)

A scandalous lie cost Audrey's husband a pastoral career. Now the two work side-by-side running a bakery. Driving in early one morning, Audrey's car strikes something at a fog-shrouded intersection. She finds a motor scooter and blood, but no body. They belong to Detective Jack Mansfield's wife, and he's certain Audrey is behind her disappearance. When the case dead-ends, Mansfield spirals into madness and takes hostages at the bakery.
