

Dogma: A Screenplay

One of the major hits of the 1999 Cannes Film Festival, a film that proved too hot for Disney to handle, Kevin Smith's ribald, revolutionary new film Dogma is a comic theological fantasy that is sure to be one of this fall's most provocative offerings. Two fallen angels (Matt Damon and Ben Affleck), sentenced to eternal exile in Wisconsin, are trying to get back into heaven. A renegade cardinal in New Jersey (George Carlin), as part of his Catholicism Wow! campaign, has opened a loophole in Catholic doctrine that would give them their opportunity-and, in proving God's judgment wrong, destroy the universe. An abortion clinic counselor (Linda Fiorentino) who may or may not be of holy bloodlines is tapped as the very reluctant savior-and, accompanied by the thirteenth apostle (Chris Rock), a wayward muse (Salma Hayek), and two very questionable prophets (Jason Mewes and Kevin Smith, AKA Jay and Silent Bob), she sets off on a mission to save the world.

If you are searching for a ebook Dogma: A Screenplay by Kevin Smith in pdf form, then you have come on to the right site.
