

Frankos Guam Guide & Dive Map

Guam is where Americas day begins - literally, because it is on the other side of the international date line. When Franko calls a friend in Guam, it is already tomorrow there! This project began without any help from anyone in Guam, but it needed a lot of help. It began as a simple map of Guam, showing the roads and all of Guams fabulous SCUBA diving and snorkeling spots. From those simple beginnings this map took off and became an extraordinary, comprehensive map and guide to almost all that Guam has to offer the visitor. It was compiled and written by Mr. Guam Tourism, Bert Reyes Unpingco.

The title block of the map explains, this map includes: * Resort Accommodations & Hotels * Scenic, Cultural, & Historical Sites * Government Tourism Agency Info * SCUBA Diving, Snorkeling, Golfing, Kayaking, Fishing, Boating, Hiking, and Shopping Two-sided, self-cover, waterproof synthetic paper folding map.
