

The Adventures of Willie Seymour: The Long Road to Quito, Ecuador

Willie Seymours body has been moving at an average speed of 37 miles per hour, for every single hour, of every single day, for the last five years. Willie is a race chaser, you see, as well as an eccentric and a billionaire. His peculiar hobby demands that, at a moments notice, he fly all over the world in search of new and different racetracks. This work is part travel log, part training manual, and part glamour shots of the worlds most exclusive destinations and delectable cuisines. Journey alongside this penny-pinching gourmand as he sets his sights on Ecuador... and learn the secret of the 1%.
