

Snipped in the Bud (Flower Shop Mysteries, No. 4): A Flower Shop Mystery

When I swapped the thorny problems of law school for the budding business of my flower store, Bloomers, I vowed that I, Abby Knight, wouldnt be caught dead visiting that hateful campus ever again. But sometimes a girls got to face down her dragons....PLANT OF ATTACKS someone orders a black rose for Abbys old law school nemesis, Professor Snapdragon Puffer. But her plans for a speedy delivery are foiled when he catches her putting the bloom on his desk and sends it straight into the trash. Abby flees in terror, only to run smack into Carson Reed, the professor who recently had her arrested at an animal rights protest. After a biting exchange, Abby storms out of the building. But if theres anything she cant stand, its injustice and bullies. So, even though she knows bad luck comes in threes, she ignores the advice of her sometimes boyfriend, hunk-a-licious Marco Salvare, and heads back in to retrieve her dignity and her flower only to find the rose now decorating a dead professor, and herself the prime suspect....
