

## Tower: A Novel

Born into a rough Brooklyn neighborhood, outsiders in their own families, Nick and Todd forge a lifelong bond that persists in the face of crushing loss, blood, and betrayal. Low-level wiseguys with little ambition and even less of a future, the friends become major players in the potential destruction of an international crime syndicate that stretches from the cargo area at Kennedy Airport to the streets of New York, Belfast, and Boston to the alleyways of Mexican border towns. Their paths are littered with the bodies of undercover cops, snitches, lovers, and stone-cold killers. In the tradition of *The Long Goodbye*, *Mystic River*, and *The Departed*, *Tower* is a powerful meditation on friendship, fate, and fatality. A twice-told tale done in the unique format of parallel narratives that intersect at deadly crossroads, *Tower* is like a beautifully crafted knife to the heart. Imagine a Brooklyn rabbi/poet -- Reed Farrel Coleman -- collaborating with a mad Celt from the West of Ireland -- Ken Bruen -- to produce a novel unlike anything you've ever encountered. A ferocious blast of gut-wrenching passion that blends the fierce granite of Galway and the streetwise rap of Brooklyn. Fasten your seat belts, this is an experience that is as incendiary as it is heart-shriven.

Editorial Reviews. Review. An Amazon Best Book of December 2017: We chose *The Girl in the Tower: A Novel* (Winternight Trilogy) by [Arden, The red room of pain in *Fifty Shades of Grey* would fit right into *Trump Tower*, a new novel by Jeffrey Robinson that reads like a male version of *Danielle Steel's The Man in the Tower: A Novel* [Michael Kruger, A.
