

# Gene Stratton-Porter: A Little Story of Her Life and Work

As Gene Stratton-Porter's publishers felt the pressure of this growing interest in her work, they asked her to furnish data for a biographical sketch to be written about her. But when this actually came to hand, the compiler found that the author had told a story so much more interesting than anything he could write of her, that it became merely a question of how little need be added. The following pages are therefore adapted from what might be styled the personal record of Gene Stratton-Porter. This will account for the very intimate picture of family life in the Middle West for some years following the Civil War.

Deeply wounded by her embittered mother's lack of sympathy for her aspirations, Elnora finds comfort in Gene Stratton-Porter: *A Little Story of Her Life and Work*.
