

## Elusive: Book #1 in the On The Run series (Volume 1)

Zoe Hunter loves living on the edge. Free-spirited and spontaneous, she's built a life stringing together various freelance gigs that keep her bank account barely in the black. But when her ex, Jack, goes missing along with several million dollars from his business and the FBI zeros in on her as a person of interest, Zoe's life goes from delightfully unpredictable to downright frightening. Plunged into a world of fake identities, deception, and murder, she's afraid to trust anyone. Zoe impulsively skips town in a search for answers that takes her from Las Vegas to Italy, but instead of tracking down answers, she only uncovers more questions. Who was Jack? Is he dead or did he fake his disappearance? And, what was he mixed up in: theft, the mafia, espionage, or all three?
