

The Color of Water in July

It's been a long seventeen years since Jess last saw her grandmother or visited the family cottage set on an idyllic lake in Northern Michigan. For all that time, she's been haunted by loss of her innocence and her ability to trust and, most of all, of a profound summer romance that might have been something more. So when her grandmother leaves the house to her, Jess summons her courage and returns to a place full of memories and secrets. There, she stumbles upon old letters and photographs of a time not so much forgotten as buried. As she begins to unravel the hidden histories of her mother and her grandmother, she makes a startling discovery about a tragic death that prompted her family's slow undoing. With every uneven and painful step into the past, Jess comes closer to a truth that could alter her own path and open a door to a different future. Revised edition: This edition of *The Color of Water in July* includes editorial revisions.
