

Seeds of the Soul (a fantasy short story: prequel to Water Witch) (Witches of Etlantium)

Sometimes to save a world, you must destroy it. The witches of Etlantium are charged with keeping the children of Lilia safe, but when an oracle accuses the ruler of seeking to destroy his own city through civil war, there is only one witch brave enough to do what must be done. Readers of Water Witch will find this background story full of historical intrigue, enchantment, and old world mythology and legends with just a dose of reincarnation theory thrown in. Seeds of the Soul is the beginning of an epic fantasy series for teens and young adults of all ages but is recommended for those readers over 16. The full series in reading order is: Seeds of the Soul Water Witch Blood Witch Tales of Etlantium Bone Witch Breath Witch Fire Witch
