

The Will

Putting the will in willpower. For Taylor McCain, his only son was his only failure. In an attempt to accomplish after death what he was unable to do in life, the self-made millionaire and community icon leaves his prodigal son, Josh, a bucket list from hell that targets Josh's mind, body, and soul. Josh has two years to fulfill every item in the testament of tough love, or he won't see a red cent. Stripped of all his advantages—allowance, swanky apartment, flashy sports car, credit cards, and everything else that made life a breeze—overnight, slacker extraordinaire Josh goes from a penthouse on easy street to a pit on hard-knock alley. He is left no option but to set out on an odyssey of self-discipline and renewal that takes him to people, places, and challenges he never dreamed he'd have to encounter. And, if he doesn't blow it, true love. Upbeat and inspiring, *The Will* is a humorous and enthralling story of self-discovery and renewal.

Probate (often abbreviated pr.) is the judicial process whereby a will is proved in a court and accepted as a valid public document that is the true last testament.
